Dear Floralba del Rocío Aguilar Gordón,

Congratulations! On behalf of the Scopus Content Selection & Advisory Board, we are pleased to inform you that Sophia (1390-3861 / 1390-8626)has conformed to the quality criteria and has therefore been accepted for indexation in Scopus.

Scopus – an Elsevier product – is the world largest curated abstract and citation database containing peer-reviewed research literature. With over 25,750 titles from more than 7,000 international publishers, Scopus offers researchers a quick, easy and comprehensive resource to support their research needs in the scientific, technical, medical, social sciences, and arts and humanities fields. Indexation in Scopus will not only increase the visibility of your title immensely, it will also open the doors to a growing global audience.

Kind regards,

The Scopus Team
