

THE
Philosopher's
INDEX

We are pleased to inform you that *Sophia. Colección de filosofía de la educación* has been accepted for inclusion in The Philosopher's Index. The Index is the premiere bibliographic database covering worldwide research in all subject areas of philosophy. Citations for your journal will now appear in the world's most comprehensive bibliography of writings on philosophy, serving the global philosophical community.

Please be sure to notify us as new issues become available, and include links or attached PDFs with full-text, abstracts, table of contents, etc. As soon as we receive confirmation on this request, we will begin indexing your journal starting with No. 23 (2017).
